

## **WEDDING CASE STUDY**

### **Lynn & Jim's Wedding - Edinburgh Saturday 6 September 2008**

Lynn Brownwood and Jim Gilmour were married in Edinburgh in September 2008. Following a simple ceremony and wedding breakfast, Lynn and Jim, along with their children Molly (age 13) and Nathan (age 8) celebrated with 80 friends and family at a party in their house and garden.

With so many of their friends having children, Lynn and Jim wanted to have a fun activity as part of the children's celebrations as well as giving them something to take home as a 'party bag' at the end of the evening.

The imagination workshop ran an hour long Decopatch a Lantern workshop for 35 children age between 2 and 14. Glass lanterns were decorated with colourful tissue papers, lit with a tea light candles and then hung around the garden once it was dark.

**Lynn**, said "it was fantastic to see the children happily occupied and busy making their special lanterns for the evening. The garden looked amazing all lit up with the lanterns like little jewels. Thank you for all your help in giving the children a really great time."

**Nathan** said "I liked making my lantern and all my friends did too, I'm going to keep it forever."
